

Crochet Minion

PapaBear's Pattern

I have been looking for a Minion pattern, and nothing I could find online was any good. There are a plethora of AI-Generated pics and patterns that turn out nothing like it's supposed to look, so I decided to write my own pattern. ***I do not own rights to the Minions, so I will not be charging for use of this pattern.***

You may use this pattern freely, but you may not resell this pattern as your own. You may sell your finished product, but be aware that Disney/Pixar corporation may issue a cease and desist for making money on their intellectual property.

-PapaBear

EYES X2:

1. SC 5 in a MR. (5)

2. Inc around (10)

3. f/o and weave in ends.

4. Attach blue yarn to one eye with a slst. SC around. (10)

5. SLST to second eye. SC around (10), so both eyes are sewn together and edged in blue. f/o, leaving a long tail for sewing.

6. Attach 10mm safety eyes to the center of each eye. If you are giving this minion to a child, I suggest using a lighter or match, and melting/smashing the end of the spike on the safety eye, so the child will not be able to pull them off.

7. Using the tail, sew eyes to the body, and weave in end.

FEET X2:

1. Using black yarn, ch 5, turn.
2. SC in second st from ch, SC2, inc in last st. Continuing to work the other side of the chain, SC 3, inc in last st. (10 sts) **Do not join**. You will be working in the round.
- 3 – 4. SC around. (10)
 - * f/o, leaving a tail for sewing.
 - * Sew the inner faces of the shoes together, so you will only have to sew around once when adding them to the body.
 - * Lightly stuff the feet, and sew to the base of the body. Weave in end.

MOUTH:

- *Use black yarn, and embroider a mouth below the eyes.

You are done! I hope you enjoy this; it is my first attempt at writing a pattern. If you note any mistakes, or have any feedback, please feel free to email me at criss.rosenlof@gmail.com .
